## Self-Check

If you are still having trouble, consider attending an Online Writing Workshop or visiting the Online Tutoring Page. If you feel you have a good grasp of Canvas and Zoom basics see if you feel confident if you were asked the following questions:

1. Are you comfortable contacting your professor through Canvas and Zoom?
2. Can you use Zoom controls effectively for class lectures?
3. Do you know the difference between synchronous and asynchronous?
4. Do you know where to go if you have a problem with Canvas or Zoom?

If you need proof that you attended this workshop, send this form from your student email (with the top section of the first page filled out) to [jmontejano@sbccd.cc.ca.us](mailto:jmontejano@sbccd.cc.ca.us) to receive a signed pdf copy that you can forward to your professor's email.
