

CRAFTON HILLS COLLEGE

Whether your goal is to complete an associate's degree, transfer to a four-year college, or to complete job training for a new career, Crafton Hills College (CHC) in Yucaipa can help enhance and enrich your future.

OUR EDUCATIONAL PHILOSOPHY

In a free society, all individuals should have access to educational opportunities in order to develop their unique potential. The programs and services at Crafton Hills College help to promote an informed and engaged citizenry by providing an environment where intellectual dialogue becomes the foundation for lifelong learning. At Crafton Hills College, students prepare to meet the challenges of an increasingly complex society.

A BEAUTIFUL LEARNING ENVIRONMENT

Located in southern California, on rolling hills above the Yucaipa Valley, and surrounded by an undisturbed natural environment, Crafton Hills College offers majors in the liberal arts and sciences, and in career and technical studies. With its imaginative architecture, manicured grounds and spectacular surroundings, the atmosphere of the college is serene — right for reflection, growth and learning. The small size of the college allows for substantive, one-on-one communication between instructors and students.

COMMITTED FACULTY AND STAFF

Our dedicated instructors, most with master or doctorate degrees, teach in small classroom settings. Knowledgeable and professional administrative and support staff are available to assist our 6,200 students with each step of the educational process.

CALIFORNIA COMMUNITY COLLEGES: THE BEST EDUCATION DEAL IN THE NATION

Although the enrollment fee fluctuates, California Community College (CCC) costs are consistently the lowest in the United States for California residents. CCC costs are always a fraction of what it costs to attend a state or private university. Financial assistance is available through both the Financial Aid office and the CHC Foundation. Expenses for books and materials will vary depending on the student's chosen course of study, but rental and used books are available for many classes through the CHC Bookstore.
