GOT A FEW POUNDS TO LOSE?

T.O.P.S. - Taking Off Pounds Sensibly, is a group weight loss program we are considering offering to Crafton employees. TOPS is similar to Weight Watchers and promotes healthy habits and how to eat for weight loss. Proposed cost would be \$35 per year (not a typo) with weekly meetings. At least 10 people needed to start a group. Email or call Andrea Moreno x2252 if interested.

What did you enjoy most during Classified Professionals Week ?

"Being with and meeting people from all over the campus. Laughing a lot together and having some social time."

"The information that I received from each workshop that I attended. Lots of honest answers to very difficult questions. Very comfortable environment."

"The personal/professional development opportunities. The opportunity to meet with and be in company with those we don't normally see or work with on a daily basis."

Next year's dates: June 10-13, 2013

EMPLOYEE SPOTLIGHT

Kristi Simonson Web Developer

- 1. Where did you grow up?**
Redlands, mostly, after moving around a few times as an Air Force kid.
- 2. What do you enjoy most about your job?** I get to solve puzzles, make art and play with pixels all day. When someone has a problem, I wave my digital wand and make it better. It's like being a Web Fairy Godmother. What's not to like?

- 3. Best program on TV or book you recommend?** *The Horse and His Boy* by C.S. Lewis has always been a favorite. The Hunger Games series was quite good, too. I was surprised at how thought-provoking it was.
