Renew Accommodations for the next semester

<b>What do you believe you gained by utilizing Student Accessibility Services? (n=17)</b>
A greater chance at achieving my academic goals.
An understanding of what I was doing.
Confidence that I can complete a college course.
I gained accommodations to help me with my learning and will help me succeed this semester.
I gained by getting help in kindness and having to read the staff lips for my communication
I know where its located and will receive student help if of any questions I have.
I learned more about options that are available for after-graduate assistance.
I successfully renewed my accommodations for next semester
I was able to have a smart pen and a physical copy of the book for my course.
I was able to register for services that would help me succeed in my classes.
More help and guidance
More help with classes in the upcoming year and some tips to help me
My accommodations for class
New platforms to help me learn better.
The help i need to be successful in school
They give instructions for my classes on testing.
Trust and feeling comfortable to ask for help

<b>Please provide any suggestions you believe would help improve Student Accessibility Services. (n=10)</b>
At the moment I do not have any suggestions.
Everything was great!
I have no suggestions at this time, I have had a wonderful experience working with everyone at the SAS.
I have none at this time.
I think they did well overall
I would like the dsps to provide an actual Phonak FM system for student who needs to hear better in the classroom with the teacher and better accommodation for hearing losses with hearing aids.
Nothing was a great experience
Testing, communication and updates
[name] was wonderful and this meeting met all my needs. There are no suggestions. She was awesome..
You guys are being an amazing job as is, Thank You for the support!
