Rent. Save. Succeed

You may save between \$100 and \$300 per semester! Rent all your required textbooks and school materials for just \$20 per class unit. If you receive financial aid, you may use it to cover the cost. Once you pay your BookSaver fee, the Campus Bookstore will email you when your materials are ready.

Simply return them at the end of the semester. It's effortless and convenient! Contact the Crafton Hills College Bookstore for more information.
