Dean: Jeff Smith

ABSENT: Troy Dial, Cheryl DiBartolo, Richard Hughes, Farhad Mansourian, Isidro Zepeda

TOPIC	DISCUSSION AND FURTHER ACTION
Call Meeting to Order, Presentation of Minutes	Moved to approve: Jeff Second: Jimmy Approved
Ambassador report	
UPDATES: - "Honors Students in the News – March" - Upcoming CHC Research Conference, April 12, 1:00-3:00, LRC 231 - HTCC Exemplary Students, Pryke and Bahner scholarships	Include service and research spotlights in "Honors in the News" Service panel presentation NOTE: Have a seminar/workshop on preparing for research/asking for funding. Be specific and personal. Have a rubric, and tell students to have their proposal reviewed by someone
PRIOR BUSINESS:	
Additional Honors STEM classes	- Math 250, 251, 115 (new college algebra for non-STEM majors—Danielle McCoy) - Psych 111: TL and Gary - Microbio: Chris Olivera
Dual Enrollment / Concurrent Enrollment - Info from HTCC	Info from HTCC shows that most CCs are now enrolling high school students in honors; some allow only concurrent classes (taught on campus with college students in them), and a few allow dual enrollment, off-campus classes. After the UCLA admission process is over, Judy will contact UCLA for additional guidance

	If students are concurrently/dual enrolled, they must still complete all requirements that CHC students are required to complete: service, participation. Should have parent/HS counselor meetings to clarify benefits and limitations of HS enrollment in CHI.
NEW/ADDITIONAL BUSINESS:	
Research Opportunities - TL	“Understanding the Right” Conference in Chicago; abstract deadline in May
Additional business:	May 2, Honors Recognition Reception, ways to involve faculty: Shake hands? Photos?
