

# 2024 CHC FOUNDATION IMPACT REPORT

## MISSION:

The Crafton Hills College Foundation is dedicated to cultivating meaningful relationships and raising funds that remove barriers, enhance opportunities, and empower students to strengthen our community. Thanks to our donors and community partners, the Foundation was able to continue our mission and successfully support the students and programs of Crafton.

## THANKS TO OUR DONORS, WE'VE BEEN ABLE TO SUPPORT STUDENTS BY:

Awarding **394** Scholarships  |  Assisting **87** students with emergency funds

Providing over **\$77,000** in program support to areas such as STEM, Honors, Internships and transfer fee waivers

## EVENTS:

Opening of the **Public Safety Training Center**, providing state-of-the-art resources for our Fire and Paramedic students, along with our local first responders for additional training opportunities.

Welcoming actor/author **George Takei** to our campus where students were able to hear about his experiences in the Japanese internment camps and other hardships he has faced.

Our **annual fundraising gala**, where over 275 people attended and raised over \$195,000.

The dedication of spaces like the **Paul and Joann Barich Terrace**, which honored our latest endowment from one of our most generous alumni.

**All of these and more brought our community closer together in support of education!**

## A STUDENT THANK YOU:

“What an exciting surprise! I am enrolled in 30 units, and have clinicals twice per week, so I work per diem whenever I possibly can to make do. My dream has always been to work at Loma Linda University Hospital. This financial support will help with the funds necessary for licensing, which amounts to about \$2,000 after graduation. As a single mom trying to advance my career, this is really truly so kind and thoughtful. I appreciate the support for our community in regards to bettering our lives and futures for ourselves and loved ones. This is appreciated so very much!”
