Term Assessed: 2015 Fall

---

## ***Learning Outcomes Statement***

Students successfully completing a course in this area will be able to recognize and appreciate the unique contributions, history and collective heritage of the United States.

## ***Means of Assessment (Measurement Method)***

On In-Service Day, August 17, 2015, the Institutional Effectiveness, Accreditation, and Outcomes Committee (IEAOC) with the Professional Development Committee (PDC) organized a campus wide meeting to discuss the results collected from SLO Cloud tool on the American Heritage GEO. Seventeen adjunct and full-time instructional and non-instructional faculty from 12 different disciplines attended the session and chose which GEO or GEO group to participate in.

## ***Summary of Evidence***

Currently, none of the assessment have been mapped to the American Heritage GEO. Accordingly, a group of faculty reviewed the following list of courses that the GEO #11, American Heritage, had been mapped to when the GEO was developed: ENGL-260, 261, HIST-100, 100H, 101, 101H, 135, and 145, MUSIC-103, 134, POLIT-100, 100H, and RELIG-135. The faculty discussed the possibility of removing the outcome as well as strategies for how to assess the GEO.

## ***Use of Results/Proposed Actions (Implications for Program Improvement & Planning)***

1. The psychology and music faculty participating in the group identified courses where American Heritage is appropriate to assess and will focus on this assessment in the 2015-2016 year.
2. Have the IEAOC facilitate the assessment of American Heritage throughout the 2015-2016 year.
